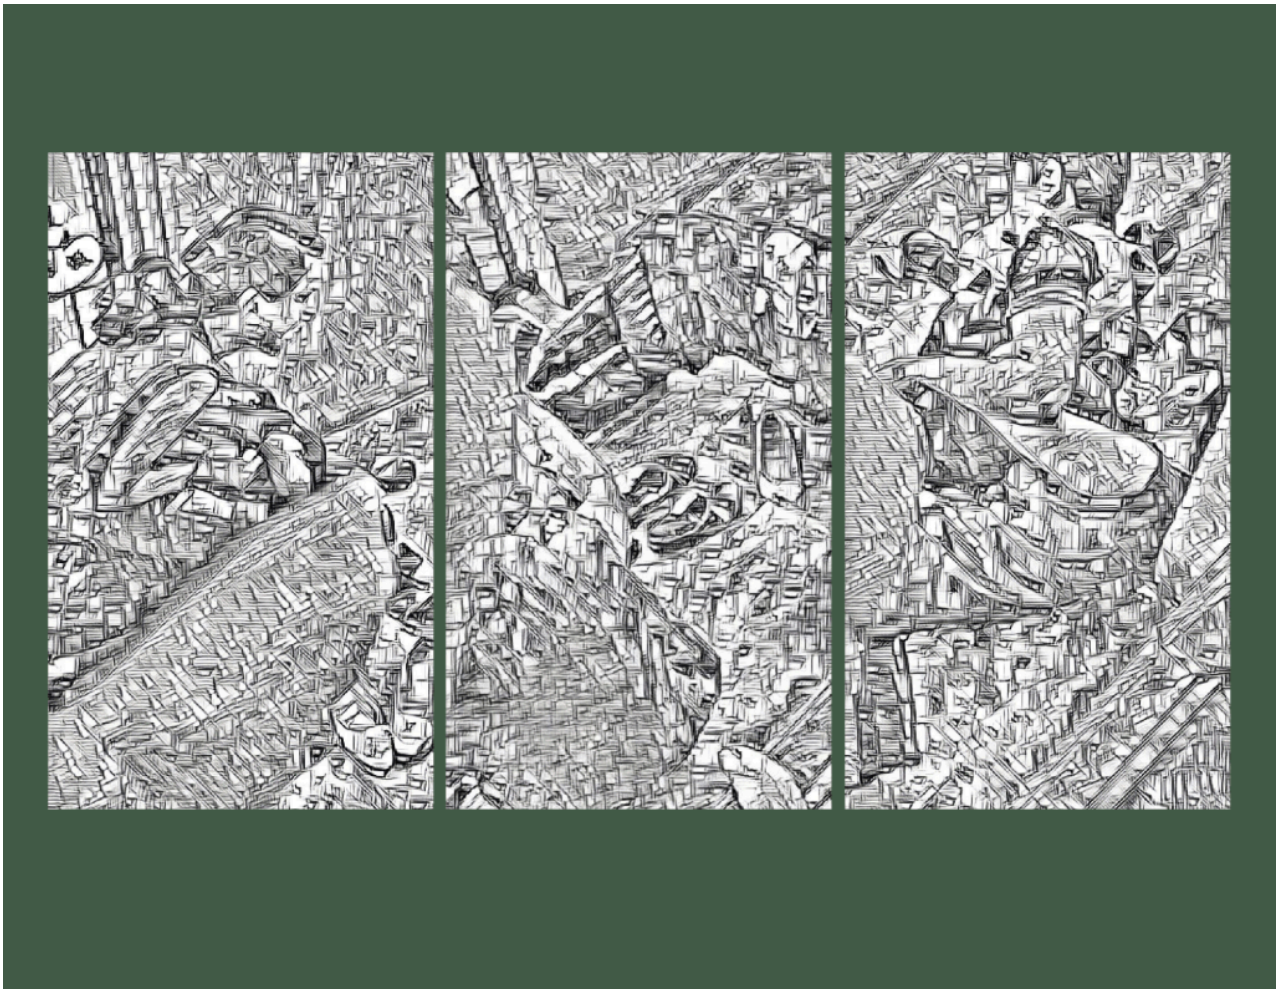
Just living the best life . From the moment we were all together, we knew we their for each other .



Just like the previous year, this year as well, Pradee came over to my house with his cousin, Vijay Anna, at midnight😁. He left Vijay Anna with me and went to pick up Koti Sai, who had been admitted to a college out of town. Meanwhile, my younger sibling, Thambi, was sleeping beside me. Pradee gave me a yellow💛 smiley-face drop piece and a Barbie wall sticker as a gift (I still have these decorations on my room wall in 2023). Later, my Thambi surprised me with a green toy spinning top pen. At noon, Prici and Sandy came to visit, and we celebrated with a cake🎂. I had a lot of fun with Sandy since she couldn't be with me the previous year. It was a joyful day spent with my closest friends🥰.
